Voices of Transformation at SNPET-HSS - Look who you helped!

You never ask a kid how your experience has been with your mother as it is the hardest thing ever for a kid to express. In the same way my experience with Sanjan Nagar cannot be put into words. As a toddler, when I walked into Sanjan Nagar, I never knew that it is not just a school but a universe in itself. Today, I am a different person from what I used to be and this is what Sanjan Nagar has made me. I am a proud member of the Sanjan Nagar family; I represented not only my school but also Pakistan in USA for one year- I feel empowered.

 Father's profession; Technician in Treet Factory
 No. of siblings; 3 Sisters

I thought I had brought my daughter here for her transformation but this school has transformed our 'nasls' generations - a father of a student 2017

Education is not only the basic right but also the need of all children. This school is different from other schools in this region. Here I learned so many things like sports, arts and music. I was very attracted towards acting and became a good actor under the supervision of a competent teacher. I have performed at Alhamra, Shahi Qila, Ali institute and many more platforms. I was also connected with students in USA through a program called Global Nomads Group Campfire. I happened to meet some great personalities like Najam Sethi, advisor of CM, Adeel Hashmi, Zubeida Mustafa and the Mayor of London.
