“Education is not only the basic right but also the need of all children. This school is different from other schools in this region. Here I learned so many things like sports, arts, and music. I was very attracted to acting and became a good actor under the supervision of a competent teacher. I have performed on many stages like Alhamra, Shahi
Qila/Lahore fort, the Ali Institute and many more. I was also connected with students from America through a program called Global Nomads Group Campfire. I participated in the Spelling Bee competition and won the second position. I happened to meet some great personalities like Najam Sethi, advisor of the CM, Ali Zafar, Adeel Hashmi, Zubeida Mustafa and the Mayor of London.
