Enabling Our Future

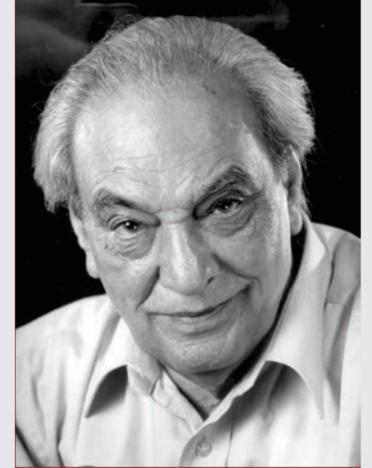

### **SCHOOL'S MISSION STATEMENT**

Enable all the students to become caring, knowledgeable and creative citizens of tomorrow, for the meaningful progress of our society through a holistic educational experience.

### **About SNPET**

Sanjan Nagar Public Education Trust (SNPET) was established in 1994 under the Societies Registration Act 1860 as a not-for-profit Trust. It is certified by the Pakistan Centre for Philanthropy (PCP) Certification # PCP-R 4/2017/0026 and is Tax Exempted U/S 2 (36) (C) Rule 211 vide L No. 22 Dated 02 August 2017 provided by CBR. The Trust maintains its transparency through an annual audit conducted by Chartered Accountants EY Ford Rhodes.

The Trust deed was executed by Syed Raza Kazim, the Patron of SNPET. He is a visionary, an internationally acclaimed lawyer, musicologist, photographer, philosopher, inventor of sound systems and the Shruti Veena; altogether 'a renaissance man'. Raza Kazim has shared his ideas and resources with society across ALL generations in search of the "new citizen". He is also the founder of Sanjan Nagar Institute of Philosophy and Arts (SIPA) [www.sipa.org](http://www.sipa.org)

## History of Sanjan Nagar Public Education Trust Higher Secondary School (SNPET-HSS)

In 1995, the Sanjan Nagar Public Education Trust (SNPET) was set up as an English Medium high school for girls in the Kot Lakhpat industrial area of Lahore. The flagship school was upgraded to Sanjan Nagar Public Education Trust Higher Secondary School (SNPET-HSS). SNPET-HSS is registered with the School Education Directorate, Lahore. Govt. of Punjab.

In 2003, it shifted to a purpose-built facility at Glaxo Town, Ferozepur Road, Lahore.

Since its inception, education was provided free of cost. However, due to unprecedented inflation and economic constraints, the Board reviewed the sustainability of the program. Fees were introduced at the subsidy in 2011. SNPET is committed to families in need and provides scholarships/subsidies for 10-12% students.

*(Details on fees and admission criteria can be obtained from the campus office)*

# HISTORY

# ABOUT

## About SNPET-HSS

SNPET is about multi-dimensional learning, focused on engaging with learning as a continuous and organic process. It is the first experiment of its kind seeking to provide an alternative system of education geared to the development of the human intellect and character. It is doing this by :

- Providing an international standard of education from early years up to Grade 12 for meaningful interactions across geographies, both within and outside Pakistan
- Ensuring its students are capable of pursuing professional qualifications, which are merit-based
- Improving the quality of teaching-learning resources through continuous professional development of all staff
- Providing access to students for emerging technologies and preparation for livelihoods and life long learning.

# PHILOSOPHY &

# VALUES

## SNPET'S PHILOSOPHY & VALUES

Sanjan Nagar is a contemporary act of Faith believing in the potential of ALL young people who are most likely to be excluded; it is NOT an act of Charity.

Sanjan Nagar nurtures young learners by providing them with inquiry-based liberal education for enabling their future in a globalized world with international mindedness. It promotes a holistic system of education geared towards the development of the human intellect, critical thinking and above all character formation.

It empowers learners to engage in a continuous learning process, developing the 'other' perspectives, respect and celebration of diversity; ensuring altogether a well balanced intercultural understanding for a tolerant and peaceful world.

# STORIES OF STRENGTH, SUCCESS AND EMPOWERMENT

## ALUMNI – STORIES OF STRENGTH, SUCCESS AND EMPOWERMENT

Many of our SSC & HSSC students have been high achievers in Board Examinations including the Aga Khan University Examination Board (AKU-EB), Federal Board of Intermediate & Secondary Education (FBISE) and BISE Lahore. The alumni are pursuing professional qualifications in the areas of Economics, Medicine, Education, Commerce, Fine Arts, Engineering, Nursing, Pharmacy and Medical Technologies.

# REASONS TO MAKE SNPET-HSS OUR SCHOOL CHOICE

## Parent's Reflection

### A Mother Speaks about the Sanjan Nagar Experience

There was a huge difference like the difference between earth and sky. If I put them in other schools then they won't have what they have now.

The children of this school have everything. They are confident that they can answer any question even if they have not read from a book, they use logic. They talk with openness. Children talk about their rights. We are happy but sometimes others (like my in-laws) complain. My daughters say "We are taught to speak for our rights"! I have learnt a lot from my child and the school- yes the school has had an impact on parents and relatives too!

### Words from a Father of Grade 10th student-

I thought I had brought my daughter here for her transformation but this school has transformed our 'nasals' generations

# RECOGNIZING OUR STUDENTS' VOICES "THEIR INTERESTS AND ASPIRATIONS"

## **Fizza Hafeez (Grade 12)**

Passion is everything and is a way to strive for a better and meaningful life. My passion is to do art, especially sketching, doodling and crafting new things. And I want to pursue my passion as my profession as well and want to be a future artist. Because "ART IS A WAY OF SURVIVAL".

**Follow your passion... success will follow you...**

## **Ali Gohar (Grade 10)**

Education is not only the basic right but also the need of all children. This school is different from other schools in this region. Here I learned sports, arts, and music. I was attracted towards acting and became a good actor under the supervision of a competent teacher. I have performed at Alhamra, Shahi Qilla, Ali institute etc.. I was also connected with the American students through a program called Global Nomads Group Campfire. I participated in the Spelling Bee competition and won the second position. I have met some great personalities like Ali Zafar, Adeel Hashmi, Zubeida Mustafa and the Sadiq Khan Mayor of London. I would like to say that today whatever I am, it is due to this school. I am indebted to remember this school, my friends and teachers.

## **Muqaddas Ashraf (Alumnai) Class of 2014**

You never ask a kid how your experience has been with your mother as it is the hardest

thing ever to express. In the same way, my experience with Sanjan Nagar cannot be put into words. As a toddler, when I walked into Sanjan Nagar, I never knew that it is not just a school but a universe in itself. Today, I am a different person from what I used to be and this is what Sanjan Nagar has made me. I am a proud member of the Sanjan Nagar family; I represented not only my school but also Pakistan in the USA for a one-year exchange program; I feel empowered.

## **Sidra Shoaib (Alumnai) Class of 2014**

If you can dream it you can do it. The future belongs to those who believe in the power of their dreams. We are the reality of the future. I am a seed that Sanjan Nagar planted years ago.....it nourished me and has prepared me for everything I face today and will face tomorrow.

Sanjan Nagar is a school which recognizes our dignity and self protection. My teachers directed me at every step, exposed me to arts, music, sports, dance and so much more! While learning at Sanjan Nagar I achieved distinctions in Physics and Computer Science in my Matriculation. It is all of US, as students learning every day, empowering ourselves with knowledge and self-confidence, who will be the true change we are all waiting for, the leaders we are all looking for, the nourishment this nation needs. Words alone cannot express what Sanjan Nagar would always mean to me....but Sanjan Nagar is where I belong

# CURRICULUM PHILOSOPHY

Our curriculum seeks to promote holistic learning, actively making connections between the self, home, community, country, and the world;

Our curriculum defines the scope of knowledge, cognitive demands, competencies, attitudes, and attributes; it supports students' initiated actions that flow from the acquisition of knowledge, inquiry, skills, and behavior. SNPET's curriculum also defines teacher-student interaction through inquiry as a two-way learning process embedded in principles of constructivism. We build on the National Curriculum 2006, but that is just one building block.

## **Aims of the Curriculum**

- Seeking truth and critical knowledge for the progress of individuals and society.
- Develop creative, constructive, caring, communicative and reflective individuals.
- Nurture productive, responsible and internationally minded students and teachers meeting the demands of the 21st-century.
- Enable learners to participate in a competitive and knowledgeable world while appreciating the diversity of our culture, heritage, and geography.

## CURRICULUM STRATEGIES

At Sanjan Nagar Public Education Trust Higher Secondary School the pre-primary and primary sections follow the International Baccalaureate (IBO) Primary years program IB-PYP which focus on the following approaches:

- **Inquiry-Based**
- **Learner-Centered**
- **Outcomes Focused**

The school was authorized for International Baccalaureate PYP (Primary Years Program) in 2014 and it is the first IB-PYP (International Baccalaureate Primary Years Program) authorized school in Pakistan for the disadvantaged, with 110 scholarships.

# THE INTERNATIONAL BACCALAUREATE (IB-PYP)

The SNPET-HSS is aligned with “The International Baccalaureate” curriculum for the primary years program (Preschool to grade 5). The IB-PYP aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To inculcate this spirit the school works with a range of partner schools, parents, governments and international organizations to develop challenging programs of international education and rigorous comprehensible assessment.

These programs encourage students across the world to become active, compassionate and lifelong learners who appreciate and respect human diversity.

The IB Primary Years Program (PYP) is a comprehensive curriculum framework for students in preschool through grade fifth which focuses on the development of the whole child. It is a unique international program of guidelines that encompass social, physical, emotional, and cultural needs in addition to academics. High standards are set and there are high expectations for the students.

The methodology of this program uses strategies of inquiry to gain more knowledge and to create depth in learning about particular topics. In a

nutshell, a great deal of time is spent by students and teachers working toward answering a few broad questions using many resources and combination of subject areas.

The PYP units of inquiry are designed around six Trans-disciplinary themes ( Who we are, Where we are in place and time, How we express ourselves, How the world works, How we organize ourselves and Sharing the planet) along with PYP five essential elements (Knowledge, concepts, skills, attitudes and action) which have significance for all students, in all cultures; and offers students the opportunity to explore and to inculcate international mindedness in understanding the human condition.

### ACADEMIC AFFILIATIONS

Sanjan Nagar School is affiliated with:

- **International Baccalaureate (IBO) Program (Authorized for IB-PYP)**
- **Board of Intermediate and Secondary School, Lahore (BISE)**

# STATE OF THE ART FACILITIES

SNSS is striving to provide enabling facilities to its students and teachers for well-rounded learning experiences. The facilities include:

## **CUSTOM BUILT SCHOOL**

In 2003, the School shifted to its purpose-built facility at Glaxo Town, Main Ferozepur Road covering 6500 square yards. In 2004 the Federal Minister for Education, Zobiaida Jalal & the Provincial Minister for Education Mian Imran Masood performed the formal inauguration of the school building.

## **DEDICATED STAFF**

SNPET-HSS strives to recruit capable and committed faculty members to teach 21st-century skills. SNPET-HSS seeks to upgrade the quality of its human resources through regular training by renowned trainers, training and research institutions so that the teachers can become excellent professionals.

## **LIBRARIES**

The School has two libraries for primary and senior school separately. Each is well equipped, providing reading and reference material for students and teachers alike with access to online resources. The library also supports A/V resources, including smart boards, television and multimedia.

## **COMPUTER LABS**

Computer labs and integrated IT facilities in classrooms are in place to ensure that ALL students become fully enabled IT users from a very young age. Latest ICT techniques are used, including project-based learning and teacher training with in-house presentations and group learning. IT-based lesson preparation, research, and assessments is a compulsory requirement for all faculty.

## **SCIENCE LABORATORIES**

There are three fully equipped science laboratories aligned to the science curriculum so that experiential learning for physics, biology, and chemistry is systematically in place.

## **ARTS & CRAFTS ROOM**

Art is an integral and vibrant part of the SNSS curriculum, focusing on creative expression, and is aesthetically integrated across all subjects. Students are encouraged to work with diverse media: watercolor, oil, charcoal, crayons markers, pencil work, and clay, for vibrant displays.

## **PLAY /SPORTS AREAS**

Sanjan Nagar has a spacious playground for all sports activities. Some favorite sports are karate, cricket, aerobics, and group sports enthusiastically displayed on Annual Sports Day.

## **Music**

Music is a source of emotional energy at the Sanjan Nagar HSS. The school has renowned faculty in Classical South Asian music. Besides formal music classes for all grades, a music club provides opportunities for musical expression. The Sanjan Nagar school choir participates in musical festivals and has won a name.

## **Custom Built Auditorium**

Performing arts is integral to the SNPET-HSS curriculum. An auditorium has been completed with support of HBL Foundation. This is a multi-purpose space for formal assemblies: seminars, conferences, theatre, and music productions.

The School Auditorium was formally inaugurated by Ms. Joanna Roper, UK Envoy for Gender Equality, on 30<sup>th</sup> August 2018.

## **First-aid-Health Room**

Sanjan Nagar is affiliated with The Children's Hospital & the Institute of Child Health for periodic doctors' visits for free medical checkups, emergency, and tertiary medical services at the hospital. A Health Fund operates to provide emergency relief to students'. There is a dedicated room for first-aid facilities supervised by a health worker.

## **Collaboration for Inclusion & Learning Disabilities**

School is in collaboration with AMIN MAKTAB to promote Inclusive Education and support children with disabilities. Individualized Education Profiles (IEPs) help children with mild to moderate problems adjust in mainstream schools.

# LIFE AT SNPET-HSS

## STUDENT'S LEARNING AND SKILLS DEVELOPMENT

### PYP Exhibition

Sanjan Nagar Primary Years(Grade 5) organizes a PYP exhibition every year to represent the learning experiences of PYP-learners, synthesizing the essential elements knowledge, concepts, attitudes, skills and activities of the PYP and sharing them with the whole community.

It is an opportunity for students to exhibit attributes of international baccalaureate learner profile developed throughout their engagement with the PYP. Theme and central idea for the year 2018 was

“Sharing the planet and the central idea was

### “Children worldwide encounter a range of challenges and risks” Pen Pal Activity

In 2017, IB-PYP year five collaborated with Notre Dame Marist Academy (US) for Pen Pal. SNPET learners were paired with a Pen Pal in a school of Pontiac U.S. state of Michigan. Learners contacted via e-mail to find out new things and a new culture. Pen-pal was a great opportunity for learners to make new friends and learn about a different culture. They shared local issues and their impacts on their societies.

### Open House Day-

Open House Day is organized to introduce the learning methods practiced at SNPET-HSS campus for parents to see students engaging in experiential learning. The Open House is conducted by students to share their project-based work in each grade in a trans-disciplinary manner, creatively and with confidence. The Open House Day has become an annual landmark for displaying learning and life skills as students confidently usher visitors to classrooms exposing them to new pedagogies that really work!

### Field Visits:

SNPET actively promotes field visits as part of the experiential learning of students and faculty. These have included: Taxila, Harrapa, Science Museum, National Museum of Pakistan, local Farms, Factories, Hotels, and Race Course Park.

### Opportunities for Students for year long study Abroad-IEARN

Since 2006, each year students from Sanjan Nagar are selected on merit to visit the USA annually for a year-long program through the (International Education and Resource Network) IEARN. YES, or Youth Exchange and Study is a program for secondary school students to spend one Academic year in the USA. Students live with host families and attend high school, engaging in community life. IEARN is currently responsible for the recruitment of students from Pakistan. IEARN partners with other organizations, including AYUSA, AMIDEAST, Close Up Foundation, and Sister Cities International to enhance the program through ongoing online project partnerships. As part of the program, participating students' exchange experiences via IEARN cyber-diaries .YES alumni students stay connected and share the ongoing impact of their year in the YES Consortium Alumni Database.

To date, 13 students from Sanjan Nagar have participated in the amazing YES-IEARN program

1. Maryam Zahid (2017-2018)
2. Shanzila Ahmad (2017-2018)

13. Saba Ali (2006-2007)

### Monthly Speaker Sessions:

Speaker sessions are organized to expose students to accomplished youth and adults inspirations and role models from all walks of life. These sessions also help students to engage with possible career options from being an author, musician, scientist, filmmaker, engineer, teacher, banker and much more. Highly motivated and successful professionals from all walks of lives have visited the campus, both Pakistanis and foreigners such as; Joanna Roper(UK), Amrit Puri(Nepal), Shirin Ahmad(London), Zubeida Mustafa(Pak), Omer Saif (PITB-Pak). Students actively participate in sessions.

### Summer Camp and Clubs

Every year, summer camps are organized on the campus facilitated by school teachers and also in collaboration with a renowned organization like **Karkhana-Asia (Nepal), Punjab Information Technology Board (PITB), Rabtt etc.** to enhance students' skills and community participation. The Summer School includes:

1. Theatre club
2. Design club
3. Chess club
4. Environmental club
5. Literary clubs
6. Science club
7. Art and craft club
8. Music club
9. Sports club
10. Maker Arm/Robotics, Coding, and Design Club

### Special Days Celebrated at School:

There are several opportunities for sharing learning and enhancing personal development. SNSS students are exposed to higher ordered learning and can reach the stars, expressing their talents in multi-sensory inquiry, theme-based learning, performing arts, and crafts.

### Sports Day

The annual Sports day provides an opportunity to inspire and help young people participate in individual and group sports for the physical and social well being. The students from pre-school to grade XII are exposed to athletics and sports throughout the year. Cricket, wushu, relay races, PT displays javelin throw, kabaddi etc. It is a well attended program by the parents sharing excellence challenges and rewards, for students and families alike. The winners are rewarded with certificates and prize but everyone is really a winner!

### Theatre/Drama

Theatre is the best way to express emotions and messages with evolved expression.

SNSS organizes annual plays to display students' talent in the performing arts. Nadia Jamil (Trustee) & Huma Safdar a renowned theatre expert have worked with the students. Annual plays performed at SNSS Faiz International Festival & Children's Literature Festival:

Many theatre productions for Faiz International Festival and the Children's Literature Festivals

### Children's Literature Festival (CLF)

The school holds its own annual CLF and participates actively in multiple strands of the largest learning festival in Pakistan. CLF is the part of the school calendar engaging with expression-based book launches, the meaning of heritage literature -through theatre, music, art and illustration, literature clubs (Urdu and English) puppets and arts and crafts.

### Parental Engagement- Parents Days at Sanjan Nagar School:

Parents are an integral part of SNPET. They not only participate enthusiastically in parents-teachers meetings but no school event is complete without their presence.

Events like Open-house, results/parents teachers conference sessions, Annual Play and Sports Day, are well attended by parents eager to learn the progress of their children and to support both students and faculty alike.

### Online professional training conducted by IB –PYP

SNPET always seeks active opportunities for faculty development. Nine teachers from IB- PYP (Primary Years Program) attended online professional training conducted by IB–PYP trained professionals. The training focused on enriching the teachers, devising well-planned learning experiences for IBPYP.

### IBPAK –Meetings

IBPAK is the association of IB Schools in Pakistan. Coordinators & Principals/Heads where SNHSS teams are present to share their concerns and Planned Collaborative Programs and Events for PDs.

### Grammar Teaching : WHAT? HOW? and WHY?

Each year, in collaboration with SPELT, Sanjan Nagar hosts a workshop at the school. In 2017, Ms. Linda Ruas trained teachers on the principles of “Grammar Teaching”, for Sanjan Nagar and other schools.

### Collaborative Sessions:

Teachers collaborative sessions are conducted weekly and fortnightly under the supervision of school Heads and IB-PYP Coordinator hands-on experiences to plan units of inquiry with subject mentors.

### Several short and long workshops for Head teacher and Teachers

The teaching of English as a second language

- Exposure visits to international best practices. SNPET-HSS teachers have been to the USA, Egypt, India, and the Netherlands for the subject based and leadership training
- Leadership subject based month-long training to USA Visitors program & Summer Institute at the Plymouth State University (PSU) New Hampshire
- British Council language and other ICTs training and refresher courses

### Professional Development Programs for Faculty

SNPET believes in investing in the quality of its human resources. Sanjan Nagar School System (SNSS) teachers engage in continuous professional development both on and off campus throughout the year. All faculty members, have equal opportunity for quality professional training. Some of the training sessions are listed below:

### IBO-PYP In-school Workshop

Making Primary Year Programme Happen is a mandatory workshop for all the IB-PYP educators. It provides the basic PYP curriculum framework introduction, pedagogies, and the skills to implement the International Baccalaureate programme. It was our second in-school PYP-workshop comprising of three rigorous working days. The workshop was conducted by a well known certified leader, Ms. Citalli Mariniez Garcia from IBEN (International Baccalaureate Educators networks).
